Well-fed writers?

Commercial writing is one of the few freelance areas where one can make a handsome full-time living. Peter Bowerman, author of "The Well-Fed Writer: Financial Self-Sufficiency as a Freelance Writer

in Six Months or Less," hosts a seminar March 31 in Colorado Springs focused on landing lucrative freelance assignments.

The field is burgeoning primarily because prolific downsizing the past decade has left corporate clients with constant writing needs and healthy budgets.

The seminar costs \$139 in advance or \$169 at the door. For information, call 719-265-9385 or go to www.wellfedwriter.com.
